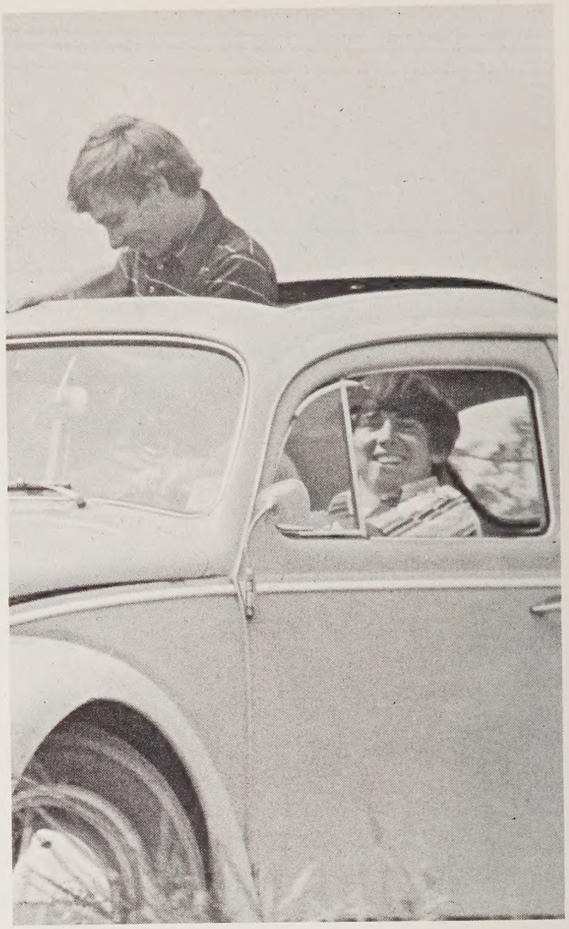
WE PLODDED THROUGH MANY CHANGES DURING THE YEAR OF 1970-71. OUR SCHOOL PROGRESSED AND WE GAINED WHAT WE HOPED OTHERS WILL ACQUIRE. WE ENJOYED PARTICIPATING IN MANY ACTIVITIES IN WHICH WE WERE SO INVOLVED.

FROM THE MAXI SKIRT TO HOT PANTS, FROM CORVETTES TO BICYCLES — HOWEVER; OUR TRANSITIONS NEVER INTERFERED WITH OUR GOALS.



TN·338

The word "sophomore" comes from the Greek words sophos, meaning wise, and moros, meaning fool. Perhaps this is why "the class of '73" is often referred to as wise fools. The sophomore year is totally different and wholly experimental.

For the class of '72 the word "fail" does not exist. They must succeed in becoming the leaders of many vital school projects.

"All stand while the Seniors rise and leave." An intangible feeling envelopes us as we, the class of '71, hear these words. The first time with excitement, the last time with . . . mixed emotions. Whatever it may be — Seniors, "aim high, but reach higher!"

Change is a reflection of thought. Thought is a reflection of change. Without this change or reflection, we begin to fail. We begin to make all these changes within our Sophomore year. We begin to think, to reflect a certain personality. In this way our society continues.

In order to affect any change outside of school and within, every person here must question himself and his world. To make any changes outside, Person Senior High must change within and that change begins here.

What could they be thinking? Fran Blanks and Mary Helen Snipes.

To belong or to be apart . . . we have a choice. The sophomores here feel it is better to belong; being apart from everything is like living in a world with no people. Our school is a place where anyone can belong and, at the same time, enjoy learning.

Person Senior High Rockets, Coached by Larry Dixon, Henry Eily, John Harris, and Chip Gill, started off the season as Defending Conference Champions. With a 6-3 Conference record the Rockets went into the play-offs as the number 2 team in the District Three. They beat Raeford's Hoke High Bucks in the first play-off game. In the second game the Rockets lost to Fayetteville's Seventy First, the team that became the Eastern 3A Champs.

Even though the Rockets did not go all the way in the play-offs, they showed everyone that Person Senior High School still had a championship team.

The Rockets had a style of their own that always got the job done. It didn't matter if it was making a run or stopping one, when it was done it was done right.

Greg Winstead and Russell Satterfield are unity in motion.

When the Coach is carried off the field in victory or Darry Carver intercepts another pass or Charles Whitfield tackles a ball carrier, the people in the stands know that Person Senior High Rockets are the best.

J.V. FOOTBALL

From the first day of August practice to the last game in the season the J.V.'s practiced with the Varsity football team. They acted as test dummies for new plays and practice dummies for old ones. They helped make the team of 1970 what it was.

Being out of the game is just as painful as a sprained ankle for Rick McKee.

The Blue-White Scrimmage was a preview of the '70 Rocket team. It also toned-up the team for that first game with Halifax.

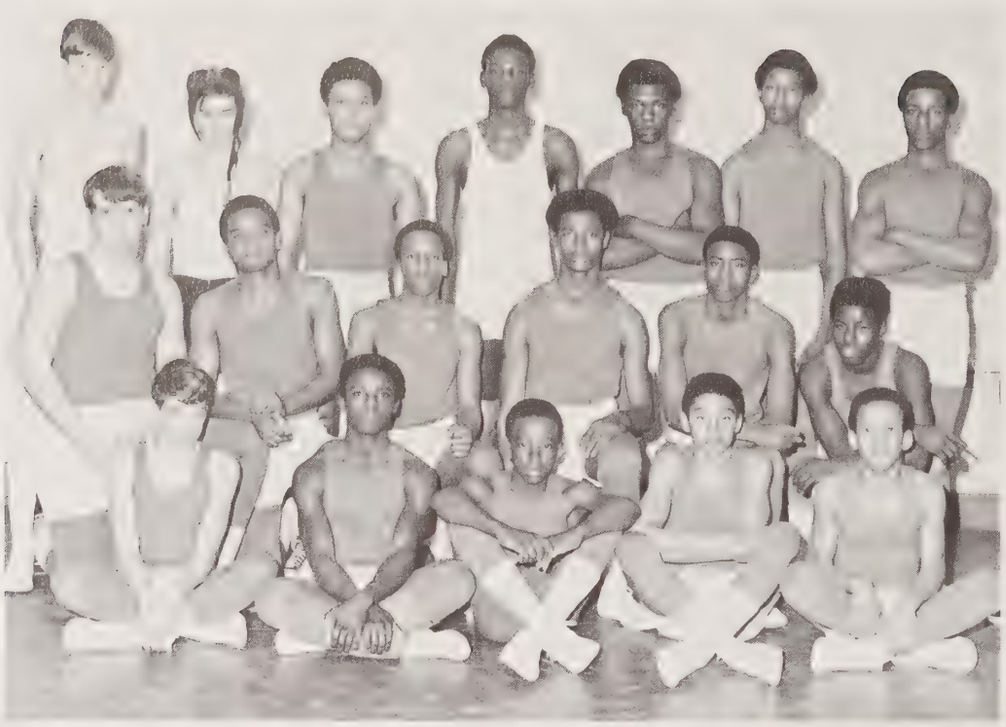
ROCKET WRESTLING



The Person Senior High Grapplers placed third in the Conference and finished the season with a 6-7 record. The captain of the team, Cletis Gentry, went undefeated for the season and led the team to a 6-1 Conference record. The record and the team showed that wrestling is also a winning sport at P.S.H.S.

ALWAYS "UP" FOR ACTION

Our Basketball team showed championship form this year with a 17-5 conference record. The team took the Conference Championship with ease and defeated Vaden Whitley in the first play-off game. In the second play-off game the Rockets were defeated by Henderson. The team provided the school with another winning season and made the students proud of P.S.H.S.

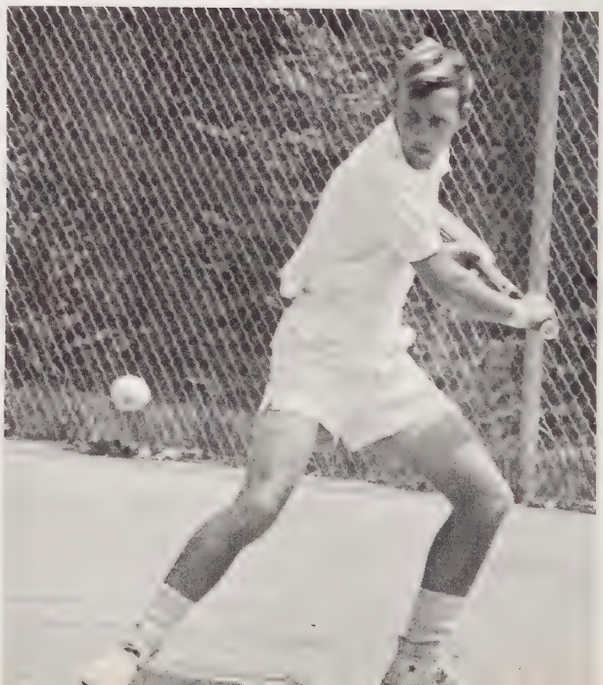
BOY'S TENNIS

First row: Danny Talbert, Pete Keel, Noell Tillett, David Long, Randy King, and Collins Terry. Second row: Tommy Kirby, Kirby Harris, Cutch Winstead, John Glenn, Stadler Day, and Teddy Webb.

KEEP YOUR EYE ON THE BALL

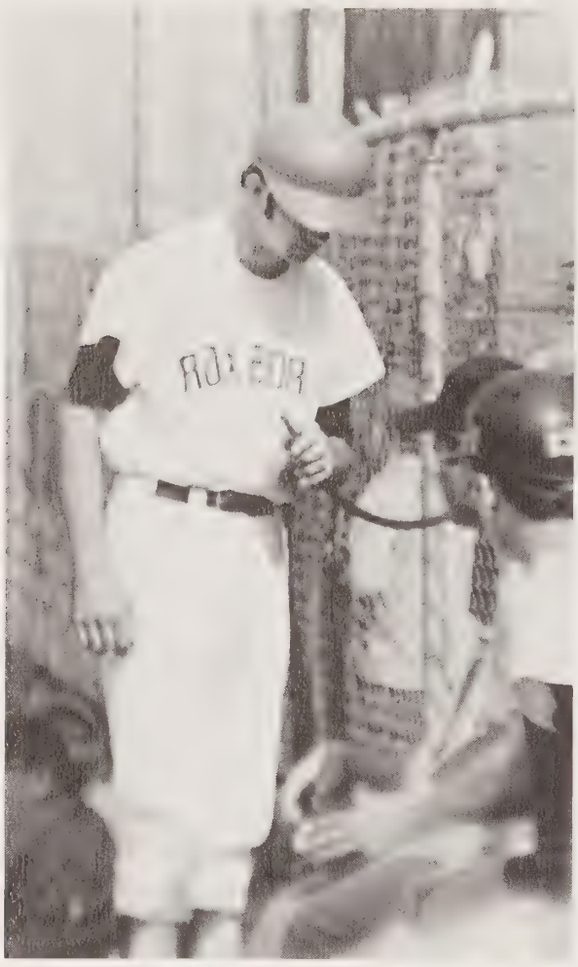


GIRL'S TENNIS

From left to right: Donna Blalock, Dana Richmond, Lu Ann Rogers, Mona Fredrick, Nancy Fathauer, Debbie Shaw, Genie Rogers, and Ellen Dickens.

A first year sport at P.S.H.S., Girl's Tennis has become as popular as Boy's Tennis, especially to the male spectators. Coached by Mrs. Robertson and Mrs. Stovall, the team finished with a 0-9 season.

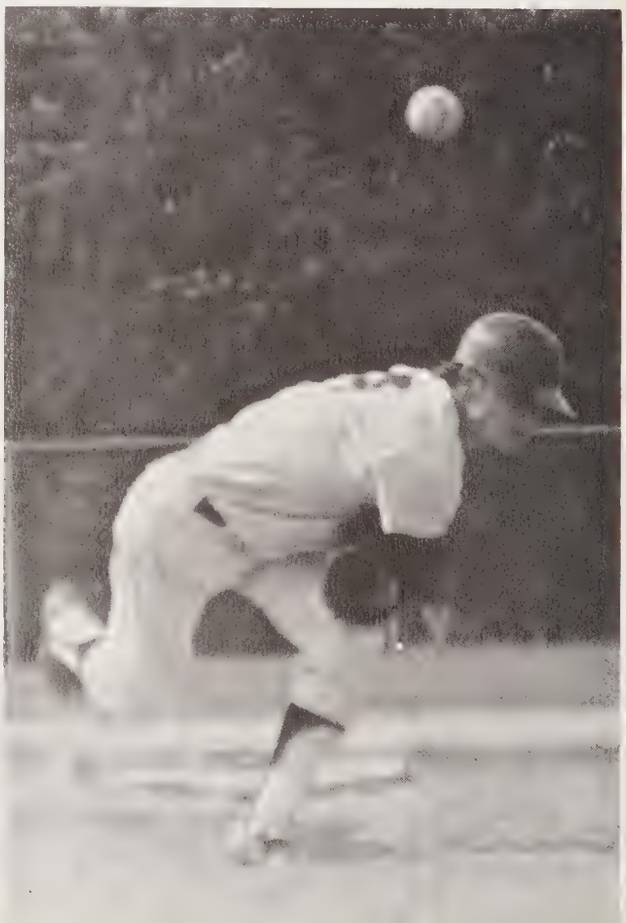
ROCKET BASEBALL



Eldon Fry gives advice to Coach Strickland.

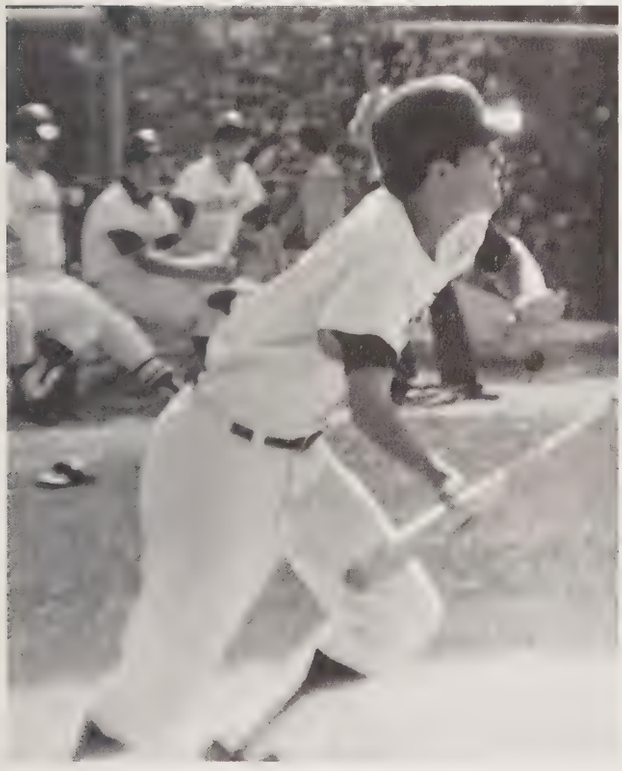
This year's baseball team did not come out on top in the conference, but they showed great improvement and potential as the season progressed. Coached by Ron Strickland and Bernard Lawson the team finished with a 5-10 season. The men of the team proved to be great players on and off the field and are a fine example of Rocket athletes.

The team members were Doug Clayton, Russell Rogers, Cleve Robertson, Eldon Fry, David Whitt, Danny Ray Wrenn, Martin Michie, Sammy Shotwell, Darry Carver, Kenny Clayton, Billy Clayton, Gary Vickers, Kent Morris, Randy Rimmer, Ricky Rogers, Jeff Wilkerson, and Lowell Tate.



Catching is not as easy as it looks. There is always someone watching.

"Mistakes will happen but must you help them so much, David Whitt?"



Safe at second for Darry Carver.

ROCKET TRACK

First row: James Hester, Carlton Henderson, Tony Grinstead, Mike Shotwell, Harold Carver, Mitchell Moore, Phillip Holding, S.T. Harris, Chuck Clack, Alvin Shaw. GOLF TEAM

Golf, as described by Coach Jim Edens, is the hardest sport in high school. It is a game where the steadiest of nerves are tried to the point of frustration. This year's golf team was described as a lacking team, but to the surprise of everyone, except Rocket fans, the team finished high in the state standings. Rocket Power strikes again!

Tommy Clayton has his own style of addressing the ball.

David Oakley has never outgrown the sand pile.
